Project Details

A spacious residential complex that provides a very comfortable life and it is just a few minutes away from Beylikduzu and next to transportation.

The project has luxurious features with lower prices which make it an investment project with expected profits.

Our project is close to various social and educational services such as schools and universities, health facilities such as hospitals, entertainment such as parks, restaurants and cafes, along with the unique indoor facilities such as swimming pools, parking garage and many more attractions.
