Project DG - 151

KUCUKCEKMECE/ISTANBUL

Project Details

The residential complex occupies an important location in the Kucukcekmece district of Istanbul European side, with a charming view of the lake and the wide green gardens around it.

The project is located a few minutes away from TEM and E5 highways, and next to various facilities and services, from hospitals, universities, schools and malls.

A promising opportunity to invest in apartments with elegant specifications and luxurious finishes, with various payment systems, including installment payments, with a ready title deed, and suitable for obtaining Turkish citizenship.
