BASINEXPRESS/ISTANBUL

Project Details

A strategically located residential project in European Istanbul on the Basin Express axis linking the E80 and E5 international highways, next to the financial and business centers.

3 blocks surrounded by green spaces and integrated social facilities, with 488 smart home system apartments, with an innovative architectural design, where every square meter is fully utilized.

An investment opportunity within a commercial area surrounded by shopping malls, luxury hotels, and major infrastructure projects in Turkey, with a panoramic view of Istanbul.
