Project DG - 304

Beylikdüzü Istanbul

Project Details

A luxury villa project on Istanbul European side, strategically located within the Yakuplu neighborhood of Beylikduzu, which is witnessing a huge urban and cultural development.

A direct view of the Marmara Sea and the green areas around the project; More than 72% of the project area has been allocated to green spaces.

Standalone, double and duplex villas, with wonderful architectural designs and luxurious finishes, with a smart home system that enables you to manage your home and follow up on your child through your mobile phone wherever you are.
