Project DG - 315

Basin Express Istanbul

Project Details

A residential project on the axis of Basin Express, the most powerful real estate investment area in European Istanbul, but despite this, it is embraced by a nature reserve in a privileged location, where the calm atmosphere is far from the hustle and bustle of the city.

Spacious luxury apartments with elegant designs and modern finishes, within an elegant residential building in its architecture, and its spacious balconies overlooking the green spaces and stunning landscapes.

Close to transportation lines and rapid transportation, such as: the E5 and TEM highways, in addition to Mimar Sinan metro station on the Atakoy-Ikitelli metro line.
