Zeytinburnu Istanbul

Project Details

A complex of luxury apartments and offices in the center of European Istanbul, with its high-rise buildings that enjoy a wonderful view of Istanbul, its important social facilities and distinctive services; It is one of the most prominent competitive projects on the real estate scene in Turkey.

Its location near the main roads, various facilities and important means of transportation, is an ideal project that is very popular for investment, especially as it is suitable for obtaining Turkish citizenship and has the possibility of installments as well.

The project includes 264 apartments and 23 commercial units with spacious areas ranging from 50 m² up to 202 m², not to mention its convenient divisions and multiple styles such as 1+1 / 2+1 / 3+1 / 4+1.

With the latest exterior and interior designs and the diversity of facilities and services, you will feel comfort and luxury without limits, from the swimming pool to the bathroom and sauna, from the children's playgrounds to the PlayStation rooms, and from the elegant sessions around the water pools to the quiet cafes, it is the dream of every family.
