Project Details

Apartments complex on the European side of Istanbul, within Beylikduzu district, in a privileged location near Yasam Nature Reserve, next to the E5 highway and the Metrobus.

The project is surrounded by several best schools, universities, and hospitals in the city, in addition to malls and shopping centers that meet all the family needs as if they were in the center of the country!

A family project designed to suit the requirements of modern life, providing its residents with several social facilities, with a 24/7 protection system that ensures safety for you and your family.
