## Project Details

Within one of the most important European areas of Istanbul, despite its small area as a region, it has a high position and a high investment value.

A residential investment project in Bayrampasa, near the most important tourist and commercial areas in Istanbul.

Apartments with harmonious finishes reflect the nature of life rooted in an area that forms the cornerstone of European Istanbul.

Carefully studied spaces, each meter has been used to give you a dimension of spaciousness and residential comfort.

Facilities that include most aspects of life you are interested in and suit your active life. An extremely vital area that makes your life a blazing flame of constant activity.
