### Kagithane Istanbul

## Project Details

A residential investment project in the heart of the city, within the municipality of Kagithane, the most serene modern area in European Istanbul where the horizontal architecture, and the picturesque nature.

Residential units of various spaces and divisions, with duplex apartments on the upper floors, shops below the project, and social facilities that meet the requirements of modern life.

A central location within a family neighborhood, surrounded by all the main transportation arteries in the city, and many malls, shopping centers, schools, universities and hospitals.
