Beylikdüzü Istanbul

Project Details

Residential project on the European side of Istanbul overlooking the Sea of Marmara, located in a central point within Beylikdüzü, a quiet area whose value is increasing day by day.

The project is adjacent to E5 and the Metrobus, and is surrounded by many schools, universities, and hospitals, in addition to malls that meet the residents' requirements and living needs.

Buildings with advanced architecture that combines modernity and originality, comprising residential units surrounded by green spaces, with social facilities that meet the requirements of modern life
