## Project DG - 354

### Sisli Istanbul

## Project Details

A hotel concept project in the center of Istanbul, in the heart of the city where the vitality is constant commercial and economic activity.

Apartments with various options that suit all requirements, modern finishes, and new engineering design, where all available spaces have been exploited.

A distinguished hotel building with its location at Bomonti close to the most important five-star hotels neighborhood within Sisli district.

It is also distinguished by its vital surroundings, close to Osman bey metro station, and the most vital facilities in the region.

A suitable project for real estate investment with guaranteed profit returns due to the high demand for real estate in this area and due to its proximity to many private and public universities.

In fact, the project is suitable for Turkish citizenship, it is also ready for delivery with a ready title deed.
