Project DG - 370

Kartal Istanbul

Project Details

An ideal project for a life full of happiness and energy in Kartal on the Asian side of Istanbul. Green spaces of up to 9500 m2 of the gross area give you more activity and fresh air. Apartments with modern finishes and stunning views of the Marmara Sea and the Princess Islands.

A distinctive and vital location near the various means of transportation, such as the metro line and sea ferries.

Minutes away from several universities, which gives the project an additional advantage and investment value as well.

The project contains various facilities specially equipped to take care of your sports hobbies to keep you fit and energetic on a permanent basis.

A project is suitable for obtaining Turkish citizenship.
