Project DG - 445

ISTANBUL / ATASEHIR

The most beneficial real estate investment near Istanbul's financial center on the Asian side of Istanbul, within the Ata ehir district.

Office apartments ready for investment, designed in a modern and comfortable manner to suit entrepreneurs and owners of startups, or those wishing to expand their companies and open new branches.

Office apartments are designed with high quality and equipped with modern technology to keep pace with technological development.

The project provides practical services that provide a comfortable environment for employees to obtain higher productivity and maintain an active atmosphere in the work environment.

The project site contributes to adding a high value to real estate investment, as the office apartments acquire a high investment character with an increasing value.
