Project Details

Within Beylikdüzü the modern urban district, a distinctive project with a government guarantee for apartments with modern finishes and a family concept.

The project includes all facilities that provide integrated social services and guarantee luxury and active residence, in addition to 20 commercial units.

The project is characterized by its location within the latest wonderful areas of Istanbul near the coast of Gurpinar and is also characterized by its proximity to many schools and shopping centers.

One of the distinctive features of the project is its proximity to transportation, and its proximity to the E5 highway, which facilitates access to all areas of Istanbul.

The project's important feature is the supervision and guarantee of the Turkish government.
