## Project DG - 448

### Başakşehir - Istanbul

## Project Details

- A family residential project with an investment concept with several advantages within the most prestigious European areas of Istanbul, Başakşehir.
- The project is characterized by several specifications, modern engineering, and multi-choice apartments, suitable for families and even investors wishing to own a property near the most extensive medical city in Europe.
- The project contains all the services and facilities that enhance the lifestyle of luxury and safety.
- The project is distinguished by its privileged location within the famous Başakşehir area, near one of the most prominent sports stadiums, "The Olympiad Stadium", and close to the city's most important vital roads, the TEM international road
