Project Details

A distinctive investment project on the Asian side of Istanbul, adjacent to the Istanbul Financial Center.

Our project consists of one 22-floor including office apartments equipped with the latest modern technology.

Attention to the details of accommodation is evident through social facilities and services that take care of the welfare of residents from well-equipped events halls, to meeting rooms equipped with the best technological means, fitness centers, cafes, and various restaurants.

It is only two minutes away from Istanbul Financial Center gives it a high investment value.

The biosphere of the project gives your investment several advantages, especially the ease of transportation and proximity to malls and many 5 stars hotels.
