Project Details

The distinctive address of privacy and life with a velvet character in Buyukcekmece on the European side of Istanbul.

Distinctive villas with a special engineering design in the style of one floor, characterized by large areas and finishes in the utmost taste, sophistication, and craft.

Complete privacy in one place from the garden to the swimming pool and storage areas, and you can design your garden the way you want it.

The project's wonderful services offer you luxury in its best form in terms of recreational and service facilities and additions that give you new options for comfort.

The unique location of the project within Buyukcekmece district gives each villa a direct view of the lake and the Marmara Sea.

The project is characterized by a great location near educational and health service institutions and in one of the finest neighborhoods in Buyukcekmece, which has a high social environment
